

WHITE FLOWER

MADE WITH ORGANIC GRAPES

Discover the enchanting allure of White Flower Rosé

Indulge in the pure essence of our organically cultivated White Flower Rosé with every sip. Crafted with the utmost dedication to your delight, our wine invites you to uncork, savor and toast to its invigorating flavors.

Vineyard

Located in the southernmost part of the Monterey AVA, White Flower Vineyard captures the region's stunning contrasts. Its name reflects the sunlit flint and limestone-rich soil, resembling distant white flowers. This unique blend of daytime heat and refreshing nightly coolness yields complex, fruity wines.

Tasting Notes

This delightful Rosé, crafted with Petite Sirah and characterized by its light to medium body, entices with vibrant flavors of peach, pear and watermelon. It leads you on a satisfying journey through luscious stone fruit notes, while subtle hints of limestone peak in a refreshing and crisp finish.

APPELLATION: Monterey
